Dear Friends of Anayat House,

On **Friday, February 23<sup>rd</sup>**, Anayat House will be holding its Annual Gala and we are so happy to honor the physicians at **Beaumont Internal Medicine & Geriatric Associates along with the Late Dr. George Thomas**. Over 75 years ago, Beaumont Internal Medicine & Geriatric Associates was founded as one of the first internal medicine practices in Beaumont. In 1983, Dr. George Thomas joined the practice with the mission to provide compassionate, personalized medical care, while enhancing the overall quality and effectiveness of healthcare. Since their founding, they have always strived to foster excellence and professionalism in the practice of medicine and for this we honor them!
